

## **COMPETENCY MANAGEMENT POLICY STATEMENT**

Neu Dimension Sdn Bhd (NDSB) is committed to having competent personnel performing all offshore services and job functions safely and effectively. NDSB will maintain a Competency Management System (CMS) to meet the requirement of the policy.

Individual competency shall be trained and assessed against their education, knowledge, skills and experience; to demonstrate competency in accordance to NDSB CMS.

NDSB via CMS shall provide resources, satisfying the requirements of employees, management, clients and regulatory bodies to ensure personnel are competent for the job that they are assigned to.

CMS will strengthen Health Safety & Environment Policies, Quality Policies and other relevant systems & processes to enhance operational excellence.
