OSHA 1994

WHAT IS OSHA?

Anggota-anggota pasukan penyelamat mengendalik kawasan sekitar kilang terbakar kerana dan bunga api setelah memuncak mayat-mayat yang terpancang di hadapan sebuah kereta yang musnah akibat letupan di kilang itu.

DIMENSION BID

OSHA 1994

WHAT IS OSHA?

- The Occupational Safety and Health Act is an **Act** which **provides the legislative framework** to secure the **safety and health** among all Malaysian workforce and to protect others against risks to safety or health in connection with the activities of persons at work.
- An Occupational Safety and Health (Amendment) Act 2022 gazette on 16 March 2022.
- An Act to amend the Occupational Safety and Health Act 1994.

**Amendment OSH Act
Consist of..**

DIMENSION BID

OSHA 1994

Section 16 – OSHA 1994

16. Duty to formulate safety and health policy

Except in such cases as may be prescribed, it shall be the duty of every employer and every self-employed person to prepare and as often as may be appropriate revise a written statement of his general policy with respect to the safety and health at work of his employees and the organization and arrangements for the time being in force for carrying out that policy, and to bring the statement and any revision of it to the notice of all of his employees.

Under this section, the duty to formulate safety and health policy shall apply to all employers or self-employed persons except those who have undertaking of not more than five employees which have been stated in Occupational Safety and Health (Employers' Safety and Health General Policy Statements (Exception) Regulations 1995. Employers are required to prepare a written statement of their occupational safety and health policy, organization and arrangements to carry out the policy.

- Since there will be changes in most organizations in terms of hazards, control measures and personnel in charge, employers are therefore required to review the policy periodically. It needs to be signed and dated by the employer (chief executive officer).
